The Ascended Masters Speak

ON THE REDEMPTION OF THE PARENTS OF THE NEW GENERATION

MAHA CHOHAN:

Proper environment for children necessary

As it is My holy privilege to assist at the birth of each child born upon this planet Earth, "I Am" vitally interested in the type of parents, the home life and environment that each such a child will have. The Beloved Kwan Yin, Whose Ascended Master Retreat We honor this thirty-day period (August 15th through September 15th, 1959) is also primarily interested in the removing of the stigma of illegitimacy upon the children born, the unhappiness of the unwed mothers and carelessness of some fathers.

Let Us All cooperate with Her to make every family on Earth a Holy, Blessed Family Unit during this time. Thus, We have the beginning of the New Era under the direction of the Ascended Master Saint Germain!

EL MORYA:

Parents have to be educated

The Will of the Heavenly Father is to have each child born on Earth express the fullness of its Divine Plan. This is often interferred with by the prejudices of parents, guardians, teachers, and all who are concerned with the moulding of the outer consciousness of children. To remove such prejudice and to consciously educate the individuals who guide and direct the sense consciousness of children giving opportunity to work out their unredeemed karma on this Earth, is a worthy cause, indeed! Pursue it!

LANTO:

Wisdom is cooperation with the Father

True Wisdom is, of course, conscious cooperation with the Divine Plan of the Heavenly Father. Such Wisdom reaches the outer consciousness of the "few" who can accept Our instruction, radiation and cooperate with Us NOW, in this Cosmic Hour. For this, was The Bridge originally created and is now sustained, so that those "few" can know the particular requirements of each minute, hour and day. Wisdom is a delicate and sensitive attribute which makes it possible for the **worthy** chela to use the compass of his or her own consciousness to discern Truth from fallacy. We, on the Second Ray, are dedicated to the development of such latent Wisdom for the furtherance of the Redemptive Process even now going on upon the Earth.

All pressures of energy, from within or without the individual, are not God-inspired. Many of these directions (so-called) come from the astral plane, or the untransmuted desires of individuals themselves.

PAUL (THE VENETIAN MASTER):

Love is generated, NOT reflected, by you

As the Activity of the Third Ray is primarily the development of impersonal, pure Divine Love, We can enter with the worthy chelas whole-heartedly in bringing forth a feeling of loving co-operation with Us in preparing the parents, guardians and teachers of the human race to properly train, guard and protect those beloved Spirits belonging to the Seventh Root-Race. Let Me say here True Divine Love is not a **reflection** of God's Love or even Our Own but It is a **generation and sustaining** of that feeling of Love from within the Holy Christ Self within your own hearts. A "reflection" is merely a mirror of that upon which the sense consciousness dwells. A conscious generator of Divine Love becomes Ourselves in action here in the world of form.

SERAPIS BEY:

The Law of Divine Love must be taught

It is to teach the children of Earth to become strong enough **not** to reflect the mannerisms and emotions of those who are, temporarily, their guardians, that We serve. As the mass of mankind prefer to accept and **reflect** the conditions in which they find themselves, it is only natural that children, who are naturally sensitive to their immediate environment, are most influenced by this negative and reflective attitude. When such children find constructive environments, it is much easier for them to remember, sustain and outpicture the Divine Plan for which they were born and given opportunity, by the Karmic Board, to express their various talents, gifts and powers for the impersonal benefaction of the entire human race.

As Beloved Kwan Yin is a Member of the Karmic Board, We shall all do Her honor at this time, particularly, in assisting the embodied individuals who are to be entrusted with the bringing forth of the Sevent Root Race, to learn and to feel the Law of Divine Love and to give to the incoming generation the impetus of their encouragement, purity, and wisdom!

The incoming generation will then be free of "reflections" of the past and more able to manifest the perfection required here on Earth RIGHT NOW!

HILARION:

Magnify the Lord and minimize human creation

As "I Am" so well acquainted with the souls of men who have reembodied, through the centuries, I can speak with authority upon the subject of active Redemption of all human creation (visible and invisible) **prior** to the fullest release of Light through the parents and children presently using the Earth as a school-room, as well as those who will so use It in the future. The loveliest Spirit Who embodies upon this Earth is, presently, subject to the vibratory action surrounding It. Beloved Mother

Mary and Blessed Saint Germain (as Saint Joseph) greatly assisted Their Son, Jesus, because They taught Him from infancy to MAGNIFY THE LORD and minimize human creation (unmitigated karma).

NADA:

Unwed mothers must be protected and guided

Divine Love is an Activity of Mercy and Compassion, Which is the FEELING of Beloved Kwan Yin, Who has served for ages in the rather neglected field of protecting and guiding unwed mothers, removing the cause and core of scorn of illegitimacy, and stimulating an interest in newly born children. It is not necessary to **know** the individuals for whom you call forth Kwan Yin's Legions of Mercy and Compassion. It is requisite, however, that you **do** follow Her Example by giving the assistance of your own dear energies in this Redemptive Process.

Remember, always, **curiosity** as to exactly whom you have so assisted and when that assistance took place, is another subtle **test** upon the Spiritual Path. The earnest desire to love life free, without any thought of personal reward, should be the motivating power of every God-Service, and particularly the One of Which We speak today!

JESUS:

The model home on Earth

As this month commemorates the Ascension of My Own Beloved Mother, I cannot emphasize too strongly the assistance that both She and the Beloved Ascended Master Saint Germain (as Saint Joseph) gave to Me in helping to provide such a loving Home on Earth and, when My consciousness was enabled to retain Their instruction, deny the human appearances which assailed My senses, and to rely upon the Powers of My Heavenly Father to dissipate all human creation when the Hour of My Mission on Earth came! I ask that all children, now living upon the Earth and all who are yet to embody, be given such assistance by an Illumined mankind.

SAINT GERMAIN:

Help the Beloved Divine Director

"I Am" so grateful to the Ascended Host and My unascended chelas for actively participating in the Redemption of parents, guardians and teachers of the human race quickly. Thus, shall the Spiritual Utopia come into manifestation more quickly and the Beloved Divine Director will be allowed to send forth, through the Gates of Birth, His Spirits primarly charged with the momentum of the Seventh Ray, over Which "I Am" presently Guardian!

The very simple service I rendered to Mother Mary and Beloved Jesus was a pleasure indeed! I want the entire human race to share that pleasure now!

Elementals are natural mirrors of their environments, humankind were destined for a higher expression of Divinity! Angels, of course, are merely loaned to the Earth to keep Her and Her attendant evolutions as free as possible from human effluvia.

Some of Them however have also temporarily fallen from Their natural God-estate by allowing Themselves to become entangled with the discord of the very evolutions They volunteered to serve.

Now, with the assistance of All of the Sipiritual Hierarchy, as well as the loyal and worthy unascended chelas, We shall quickly REDEEM THE EARTH AND ITS EVOLUTIONS and establish the Permanent Golden Age on Earth as It is in Heaven. Thank you for helping Me so to do!

SERVICE IS THE LAW OF LIFE

An Original Treatise by the First Krishna
With Introduction by our Beloved Lord, the Maha Chohan
IN TWO PARTS - Part II

How the Maha Chohan reads. Some people read for knowledge. I, Myself, read, even before the Ascension, loving to think of the Being Who left Me the Gift of His Consciousness, the circumstances of the day that prompted that Gift from His Heart, and then all the peolpe before Me who have fed at the fount and who have left Me impressed right into the substance of that page, the light, the enjoyment and illumination which they in turn received from it, and so looking at this parchment and thinking on the many reverent souls who had previously gazed at this first figure, I find Myself the Beneficiary, not only of the Christ Who wrote it, but of the richness which even each succeeding life who benefitted by it left as My heritage.

IV

TREATISE ON SERVICE, BY THE FIRST KRISHNA

(Quotes from Original Document)
(With interpolated headings)

Service is a balance to Life

"To Children of God who walk the Path of Life and in that Journey seek the purpose for their **being.** Greetings!

Service is the Law of Life. From the moment individualization takes place the Flame begins to accept the responsibility to give a balance to the Universe for the privilege of drawing breath, using Life and sustaining a separate existence by which understanding and illumination bring freedom to the consciousness.

As the Law of one's being is Service, the experience-life will constantly make it necessary for the individual in some manner to serve his community, his nation, his fellowman.

Individuals who do not choose to serve are temporarily taken out of the race of Life until they will accept again their responsibility to be conscious servants on Life's Path.

Service should be to the Godhead alone

All the heartache, the disappointment, the disillusion, the failure comes because the natural drive to serve within the life-stream has not been illumined to a point where the individual knows that Service to the Godhead alone is the Law of **Being** and the ultimate purpose for creation and sustained Life.

What results from serving individuals

When man serves individuals, when man serves a nation, a king, the presiding head of a country, he serves Form, and the return will always contain the imperfection which such externalized form finds as the heart center of its being.

Service should be rendered through Love

When man serves God his service will take him into the presence of individuals, nations, monarchs, and he will greatly benefit them all, knowing that neither his reward nor his ultimate goal will come from his beneficiaries.

Man who now serves through duty, through moral exactitude, one day will understand God and serve Him through Love.

One should serve like the Sun

The physical Sun is shining in your Heaven. Mankind is the beneficiary of its light, but the Sun shines for the Glory of God. Helios (Whose aura is the Sun to the Earth) is not cognizant of the many who benefit by His Presence nor of those who curse the light that parches the fields and illumines the dark doings that prefer the shadow. His service is to shine for the Glory of God and then He knows no disappointment because there is One unfailing Source of Gratitude and Love and Constancy, and that is the Universal First Cause.

One should not disassociate oneself from others

To serve God does not mean to disassociate oneself from one's fellowman nor to cast off the obligations that experience-life

has caused the soul to accept, but it is the motive of your own life, action and being, just as you set a thermostat by the desire to serve the Universal Cause of Good.

Don't expect a return from the Form you serve

Wherever you meet inanimate good, enrich the Cause of Good, **but not to the point where you expect return from the object which benefits by your love of God,** for your return will always come from the Sun of your own **Being.**

What results from the misunderstanding of the Law of Service

How many brave beings have missed the mark by misunderstanding the law of Service. In each Nation today there are many serving their own desire for authority in the creation of form through thought and feeling, and they must again dedicate their soul and nature to Service of the God-purpose, as the Sun does, before they shall come again to Peace.

The return for serving God or serving the limited

Service is the expansion of the Three-fold Flame of one's being; it is the externalization of energy waves, and the Flame will bring on its return current the vibration of that which is served.

Two individuals standing on the same spot, performing exactly the same physical acts can receive an entirely different return current determined by the Force which they have decided to serve preceding the activity.

The one dedicated to serving God's Cause in bringing happiness to Life can render the same physical ministration and yet be utterly relieved of any feeling that a recompense shall come from the object so benefitted.

Another, with equal sincerity, seeing a need for ministration, desiring to relieve some need apparent in its externalized objective, does not center his service and dedicate it Godward, but rushes forward, fills the need, then, having served the limited receives back into himself only the gift that the imperfect can offer, and if he receives none is embittered in his service.

How to know Peace

I have come and have remained in your civilization because My Love of the Father of Light is great enough that I would bring to your race the Gift of His Presence, and when My Work is done I shall leave, but neither your race, nor your time, your failures nor your sucesses shall enter into the quality of My Service.

If there be one or a million it is no matter, and one day when you feel likewise you will know Peace, for Peace comes only when to the best of your ability you are endeavoring to serve the Cause of Good, externalize it, and have no concern with any external activity in relation to its effects upon your Service."

Note on the Return of the Krishna to His Star

After finishing the above quotation, the Beloved remarked: There is a note, doubtless by the Librarian, which reads: "Six hundred and Forty years after the writing of this article the Krishna completed His Service and returned to His Star, taking with Him over fourteen hundred lifestreams who gained their own Illumination through His Service."

YOU HAVE TO BE MERCIFUL IF YOU DESIRE MERCY

TO Our Gracious **Lady Master Kwan Yin,** the Embodiment of Mercy, Forgiveness and Love Divine; to Our **Beloved Jesus,** Who gave mankind the True Concept of these three God Virtues; to Our **Angelic Mother Mary,** Whose Ascension we commemorate this month; We bow to You in eternal gratitude for the perennial Service You have rendered Angels, men and elementals in the externalization of Mercy, Forgiveness and Love Divine!

Many there are who think that singing beautiful songs and violently decreeing in demand of Mercy is enough. **It is not.** Rather is it better to understand **why** and **how** Mercy should be obained. Mercy does not fall from Heaven into your lap just for the asking. If this were so, you would likely repeat the offence at the next temptation. Mercy should be sought because it annuls the penalty of your fault, and the way to obtain it is by being merciful to your offender, real or imaginary. Thus the way to be merciful is to cease doing wrong to any person.

You have to do something to obtain Mercy, and Forgiveness, as so ably Our Beloved Jesus expressed during His Ministry. As to **Mercy** Jesus said, "Blessed are the merciful for they shall obtain mercy". As to **Forgiveness,** He said in the Lord's Prayer, "Forgive us our debts, as we forgive our debtors". As to **Love** He said, "Love thy brother as thyself", and again "Do unto others as you would like done unto you".

Finally He said: "Be ye therefore merciful as your Father in Heaven is merciful".

TEMPLE OF MERCY AND COMPASSION

NEAR PEIPING, CHINA

THE ASCENDED MASTER RETREAT OF THE MONTH

August 15th through - September 14th, 1959

THE Temple of Mercy and Compassion, presided over by Beloved Kwan Yin, stands in the center of twelve lesser Temples, all of whose domes incline slightly toward the main Temple, in reverent honor and respect to the Focus of the Mercy Flame. Here, the Beloved Brothers and Sisters of Mercy and Compassion, serve in silence, moving from Temple to Temple upon Their appointed Services to Their Holy Queen and to the Mercy Flame Itself.

The Services of Kwan Yin

The Beloved Kwan Yin, Who offered Herself, to guard, protect and expand this Flame of Mercy, Forgiveness and Compassion, is often seen among Her Spiritual Court, a most exquisite Lady of Heaven, dedicated and consecrated to the removal, through the consciously directed Light Rays from This Focus, of the inner causes and cores of all manner of temporary distress which presently form a weight upon the humankind of Earth, as well as the elemental kindgdom and the imprisoned Angels, Who have taken embodiment for the redemption of the human race and have become emmeshed Themselves in the very effluvia which They vowed to dissolve by Their Light.

Kwan Yin visited those who could not come to Her Temple

In Ages long past, the Temple of Mercy and Compassion also acted as an asylum for children whose parents were unable to give them the proper training and instruction. Thus, the Brothers and Sisters of the Temple of Mercy have often raised these children to maturity and they, in turn, after attaining their majority, went forth from This Focus and became the great leaders of China and all Asia, Spiritually as well as in secular

matters. This is why, so often, the statues of Kwan Yin, depict Her holding a small child.

From time to time, Beloved Beloved Kwan Yin and Her Court made pilgrimages to the furtherest borders of Her Kingdom, so that the less privileged individuals, who could not make a visit to The Temple Itself, might have their children baptized, their own sins of ommission and commission wiped away by Mercy's Flame, and their homes re-consecrated by an actual, physical spark of the Mercy Flame, taken reverently from the Golden Brazier Which a Chosen Member of Kwan Yin's Court carried from the Temple of Mercy and Compassion, keeping the Flame alive by His or Her Own Breath.

The Uses of the Flame of Service

Remember, beloved ones, that the causes and cores of all distress (in the astral realm) are constantly moving masses of mis-qualified energy which can and do focus their vicious expressions through vulnerable human beings. Kwan Yin's Service is to remove these palpable masses of mis-qualified energy by Personally directing the full power of the Flame of Mercy, Love and Compassion into Them.

This Activity releases the cohesive center which holds imprisoned life of a discordant nature together and allows that life freedom to ascend again into its pure estate.

Teaching unascended beings to use this Power requires the assistance of an Ascended Master, otherwise the well-meaning pupil often ties his or her own energy into the distress (a vampire activity) and is engulfed by the intelligent entity (seen or unseen).

The Brothers and Sisters of Kwan Yin's Temple are well qualified to assist the worthy chelas to learn how to **safely** invoke the Flame of Mercy and Compassion from Kwan Yin's Own Loving Heart into the condition, while they are protected by Her Own Luminous Presence from any distress in endeavoring to give this assistance.

You can become a member of Kwan Yin's Legions

As the year of 1959 has a particular Spiritual significance to the Beloved Ascended Master Saint Germain's New Golden Age, and as the Divine Director is hoping for the opportunity of allowing through the Gates of Birth as many of His Seventh Root-race as possible, each gentle reader has opportunity unparalled to become a member of Kwan Yin's Legions of Mercy.

Call for the Members of Her Legion to bring every soul born on the Earth in each twenty-four hour period to be carried (while the baby sleeps, if possible) to Kwan Yin's Temple of Mercy and to receive There a personal baptism from Her which can and does wipe away the unmitigated karma of such an one. Thus, these children, when they reach the age of maturity will not have the burdens of karma to transmute which would hinder their service in God's Divine Plan.

You can also call for a focus of the actual Flame of Mercy and Compassion into your own homes and the homes of all peoples on the Earth and it will be done! Endless are the Services of the Mercy Flame while distress manifests on the planet and the alert chela will cognize them and immediately ask Beloved Kwan Yin and Her Court to assist in transmuting this distress instantly. She will always answer you!

NOTE: For further description of the Temple of Mercy, please see **"The Bridge to Freedom"**, Vol. 1, February 1953, Supplement; April 1954, p. 2; January 1955; Supplement, April 1958, p. 2.

YOU CAN VISIT THE DIVINE DIRECTOR

(Monthly Letter to Transmission Flame Class of August 15, 1959)

Beloved children of My Heart:

"I Am" so grateful that during this thirty day period, We shall have your cooperation in helping the incoming children and the younger generation and their parents to a greater understanding of the Law of Divine Love and Compassion. As I have always been privileged to assist in helping the new-born to accept their first breath, "I Am" also fully cognizant of what they will do, through the use of free-will, with that Holy Breath in the course of an embodiment.

The Service of Lady Kwan Yin shall **now** be recognized all over the Planet Earth. The direction of the Rays of Mercy and Compassion from the beautiful Temple of Kwan Yin into your own dear worlds will amplify your interest in such Service. All the Ladies of Heaven rejoice in this cooperative Activity. As the opening of the Retreat at Peiping, also marks the commemoration of the Ascension of Beloved Mother Mary, It shall most assuredly be a gala event!

We have secured a dispensation so that (while your physical vehicles sleep) you can visit the Divine Director and become acquainted with His Spirits, awaiting embodiment! Their beauty of nature will, assuredly, inspire you to greater endeavors when you return in the morning to your own spheres of influence, to help Him and His Root-race to find suitable habitation on the Earth's surface!

Love and blessings,

MAHA CHOHAN

BELOVED FLOWERS OF HIS GARDEN OF LIGHT

By Beloved Kwan Yin

I BOW before the Glorious Light within your hearts in gratitude for the opportunity and privilege of serving your life, and for your gracious kindness in receiving Me and entering into the consciousness of My Service in your life.

As we open the Temple Doors to your so welcome Presence, You shall **feel** Our happiness in your acceptance of Our simple Hospitality and Friendship in that Service to Life.

To live but to amplify some particular gift or God's Beautiful Nature is to live in the happiness of your complete freedom, for through the doors and windows of your soul there will sweep forth the Glory of the Ever-Presence to enrich the world through your invitation.

Your thoughts are on Mercy, Forgiveness and Love Divine! There is not one blessed lifestream who has not received of these Three Immortal Gifts from the Heart of God and His Messengers many times throughout the Ages. So you are not strangers to these Gifts which pulsate through the Flaming Lotus of Cosmic Mercy whose Purple Petals of Living Flame shall, encompass the earth. There is not one unascended being who could, even this hour, accomplish the full freedom that lies within the Ascension, if these Qualities were removed from the earth! By Mercy, through Forgiveness, and in Love, all Life ascends into its True Estate.

I ask you now, as the Flaming Power of Mercy, Forgiveness and Love Divine circles the Earth, to open your feeling worlds to the acceptance of this Power of Transmutation and allow the Miracle working Alchemy to melt those creations in consciousness that yet hold you bound. Oh, accept it for **all** life. It is the greatest concentration of the Forgiving Love of the Cosmic Christ that the Earth has yet known.

Beloved Hearts, I ask you to **be** that Mercy, Forgiveness and Love Divine to all life everywhere. Do you know what Mercy is? It is more **kindness** than **justice requires...** It is more kindness than can be claimed by merit or service... and forgiveness. Will you daily, through this period dedicated to Our Temple, begin to consciously forgive all the life that has consciously or unconsciously done you injustice back to the beginning of time? Make it a daily ritual in your contemplative hours. Where you see those frightful distortions of mind and body, or disease or distress, of any kind, don't stop for a moment and consciously forgive the energy that created such an appearance and set it free? I shall amplify your every endeavor to be the merciful, forgiving, loving power of My Presence, and I shall be so grateful to use you as Myself while We have the opportunity of drawing, focusing, and directing Our Flame of Mercy on a world wide scale. The Blessings of Lord Buddha be upon you.

DECREE FOR ILLUMINATION

IN THE NAME OF THE PRESENCE OF GOD, WHICH "I AM", BY THE MAGNETIC POWER OF THE SACRED FIRE VESTED IN ME, I call to You BELOVED CASSIOPEIA, HIMALAYA, KUTHUMI AND THE BROTHERS AND SISTERS OF THE GOLDEN ROBE, to ask You to direct hourly Your Illumination Flame through me, my loved ones and all mankind, until we all Ascend into the Light. Help me, my loved ones and all mankind, to perceive daily Your Illumination Flame in our minds, feelings and bodies. We thank You because we know that from this very moment this is taking place.

GIVE ME THE PETITIONS OF YOUR HEART

By Beloved Mary, Mother of Jesus

BLESSED, beloved children of My heart, you who walk now as Jesus did long ago upon the same Pathway toward Victory and permanent God Accomplishment, I love you, enfolding you ever in the embrace and radiation of a Cosmic Mother's outpouring, for to Me you can do no wrong. There is only the blazing light of the Immortal Flame within your hearts Which sparkles and radiates forth so that the Silent Watchers over the vecinities in which you abide see that light and know that on Earth there is yet light in the hearts of unascended beings. Oh beloved ones, the sacred tabernacle of your hearts, fashioned by Myself at Inner Levels, within which beats that magnificent Holy Christ Flame, before Which every Cosmic Being, God Being, Angel, Seraphim, Cherubim bow. That is the True Expression of God on Earth, endeavoring to manifest through millions of souls in embodiment and particularly those for whom We have drawn aside the curtain of time, the curtain of maya, to bring to you Our Personages and Our love, Our experiences and Our Own trials and over-coming in the use of the One Law, that Law which is the externalization of Pure Divine Love—a positive quality in the extreme which is the absolute Mastery of all energy and all substance in the lower atmosphere of the Earth. That Love, beloved ones, is already alive within you and requires but the breath of Our Love to expand and expand and expand through you to give a sustained blessing of grace, not only to your own vehicles and your loved ones, but to all life everywhere.

Love gives you the light by which you may see

Love is neither vague nor ephemeral. Love is one of the most positive qualities in this universe. Its cohesive power holds the atoms in place, holds the Earth in Her orbit and the Stars in the sky; holds the very substance that makes up your physical bodies in their proper shape and keeps the entire planetary system

and galaxy in a rhythmic movement—forward—into greater light and more expression of perfection. That is the cohesive power of Love Divine; a Love which can keep within the boundaries of this Earth and Its atmosphere ten billion lifestreams so that they do not fly into outer space, being caught in Cosmic Currents far beyond that which their development would endure. It is the Love of Virgo Herself and the beloved Pelleur and Amaryllis that gives to you the glory of the Springtime, the soft cushion of grass, the resuscitating power of the Earth. It is the Love of the Beloved Neptune and Lunara that gives you the cleansing properties of the water element. It is the Love of Aries and Thor that causes the winds to blow in their season and it is the Love of the Sun God and Goddess, Helios and Vesta, that gives you the very light by which you may see as you move about on the course of your day.

Become in yourself a light in this world

Think you what it would be, even for one twenty-four period, were Helios to cease pouring out that steady constant radiation of light and all of the powers of nature that make your artificial electricity following in His example were to turn off the current and you would have what—only that light that is within your hearts, by which to move about and see that which you had to do! CULTIVATE the expansion of that light now! Helios has done it, for aeons of time He has been the daylight on your pathway and the magnificent Stars of the Heavens and blessed Lunara have been the light of your evenings. But it is now within the compass of your own intelligence become grateful always to these magnificent Beings Who have given of Their energies, to BECOME IN YOURSELF a light in this world and its beams radiating forth be a light to others on the Path, as well as those who do not know of the Path, who are caught in the underbrush of human creation; who are still enjoying the satiating of the appetities of the flesh.

Vicarious Atonement Explained

Beloved ones, evil is temporary and passing, true, but I thought this morning of a point of the Law which perhaps had passed from your minds, at least in this embodiment, though it was known to a few of Us Who were among the very close associates and friends of Our beloved Jesus. Every individual who uses this Earth as a schoolroom through the use of free will, thought, feeling, word and action creates and has in the course of one lifetime alone some of the shadow that reacts on mankind as distress. That is called by some the sinister force, the psychic plane, the astral realm. It is the accumulation of the effluvia of all peoples during the two thousand year cycle. Now when Moses led the Jewish people from Israel in that first Passover and the Fifth Dispensation began and waxed strong, there was almost two thousand years in which that Dispensation created much of good in the acknowledgment of the One God; in the establishment of the Individual Deity, **But also all of the effluvia of that entire Dispensation** had gathered at inner levels and that was the **directed force** which My Son chose to take into His Own Vehicle for transmutation on Golgotha. That is why individuals have referred to vicarious atonement. It was not the spear of a Roman soldier nor the nails of the courts of Rome, it was the entire destructive intent, purpose and activity of a Dispensation which has closed and which was transmuted on that day which truly was a 'Good Friday', giving to the Sixth Dispensation, the Christian Era, a fairly clear slate.

Come out of the tomb of ignorance into the Light

Ah... beloved ones, the Divine Beings are essential to your victory. They were essential to Mine and even to My lovely Son... a youg Man in years Who enjoyed life in its fullness, Who loved life free; Who willingly took the cup in Gethsemane's garden and drank it, saying as He did all through His life 'not My will but Thine be done'. All of the ages that have passed shall never dim the magnificence of that experience and that

ultimate Victory of Life Eternal, when in that very same Vehicle, reanimated and resuscitated, He again smiled as only He could, and spoke as He always did, in those words that were like velvet, 'Mother, I have come from the dead and live again'. That is a feeling, beloved ones, that goes deep to a Mothe's heart. NOW, I say to you, give me the petitions of your heart, COME FROM DISINTEGRATION AND ALL OF ITS ACCOMPANYING DECREPITUDES OUT OF THE TOMB OF IGNORANCE AND THE MASS CONSCIOUSNESS OF HUMAN CREATION INTO THE LIGHT OF ETERNAL DAY. Lay aside the cloths of embalmment and LIVE THE LIGHT OF THE WORLD, positive in the conviction that one with Almighty God is a majority.

The blessings of the Risen Christ; the blessings of His Mother and the blessings of His Father be on you, your homes, your household, your families and I bow before your Light.
